

2012 WeldWAITS Presentations and Descriptions

(Appropriate for 8th grade through high school)

Topic	Presentation Title	Description
WT Power Point	WAIT Training (Why Am I Tempted)	Covers differences between men and women, consequences of teen sex, bonding, and future hopes and dreams.
STD Power Point and overview	"Love Bugs"	Details information on sexually transmitted infections including transmission, signs and symptoms, treatment, long term effects.
Steps of Intimacy	"How far is too Far?"	Discusses the physical steps in relationships leading to increased intimacy, what is appropriate for dating, and setting boundaries.
Love vs. Lust	"How do you spell Love?"	Difference between love and infatuation and how one can have a healthy relationship are discussed.
Consequences of Teen Sex	"Something Fishy"	Discusses physical, intellectual, emotional, social, spiritual, and financial consequences of teen sex more in depth.
Healthy Dating	"Hanging Out or Hooking Up?"	Discusses what dating is and how to develop healthy relationships not based on sex. Focuses on creative date ideas.
Avoiding Unhealthy Relationships	"Red Flags"	Discussion and video about "grooming" or unhealthy relationships, conflict resolution, and choosing respect.
Future Thinking	"Own your own choices"	Discussion and activities on success sequencing, "the Big Picture", and intentionally choosing what you want for your life.
*Pornography (Power point)	"What you see is not what you get!"	Discusses the traps of media, illusions in the brain, and dangers of pornography.
*Contraception	"What if I can't Wait?"	Information on current contraception options including types available, costs, pros and cons for each.
*Benefits of Marriage	"Until Death Do us Part"	45 minute video showcasing interviews with real couples talking about their marriages. (Created by WeldWAITS!) Study guide available.

*The pornography power point and script by Illusions; kit containing sample birth control methods with notebook of information on birth control; and "Until Death Do Us Part" video by WeldWAITS are available for you to borrow. A \$25 refundable deposit is required for all loaned materials.

** Most of these lessons can be modified for specific audiences such as the special needs students and very high risk populations. Scope and sequences are customized for each school or community organization and are usually between 1 and 6 lessons in a specific time frame.
